

Sea

Nneka

Eh eh eh eh
In harmony
Eh eh eh eh
This melody
Eh eh eh eh
I give to thee
Eh eh eh eh
That set me free
Eh eh eh eh

Hold your peace
Cause you've been speaking
Cause you've been spitting a lot
Hold it there
Don't move further
Cause you're too close to the edge

Nuh uh uh uh
Nuh uh uh uh
Nuh uh uh uh
Cause I see e eeh ehh e
See eeeh ehh e
See eeeh ehh e

Cover me with the hottest of your love
Would you bless me with the ways of your hate
Would you dig me deep down underground into the ground
Would you pick me up when you planted me in there with your roots

Nuh uh uh uh
Nuh uh uh uh
Nuh uh uh uh
I wanna be free like a sea
Sea eh eh eh
Sea eh eh eh
I wanna sink in it like it

In harmony
I let you dig
But you give to me
What I seek from thee
Give me water
Give me water
Give me water
Give me water
Give me water
Give me water
Give me water
In a Mercedes water is a lot
