Nneka

You keep pushing the blame on our colonial fathers
You say they came and they took all we had pocessed
They have to take the abuse that they have caused our present state with the
ir

intruding history

Use our goodness and nourishment in the Name of missionary

Lied to us, blinded slaved us, misplaced us, strengthen us, hardened us then

they replaced us now we got to learn from pain

Now it is up to us to gain some recognition

If we stopp blaming we could get a better condition

Wake up world!

Wake up and stop sleeping

Wake up africa!

Wake up and stop blaming

Open ur eyes!

Stand up and rise

Road block oh life penalty

Why do we want to remain where we started

And how long do we want to stop ourselves from thinking

We should learn from experience that what we are here for this existence

But now we decide to use the same hatred to oppress our own brothers

It is so comfortable to say racism is the cause

but this time it is the same colour chasing and biting us

Knowledge and selfishness that they gave to us, this is what we use to abuse
us

Wake up world!

Wake up and stop sleeping

Wake up africa!

Wake up and stop blaming

Open ur eyes!

Stand up and rise

Road block oh life penalty

Those who have ears let them hear

Brothers who are not brainwashed takt ruins and rest

Pick them up and stick them back together

This is the only way we can change this african weather

Lied to us, blinded slaved us, misplaced us, strengthen us, hardened us then

Wake up world!

Wake up and stop sleeping

Wake up africa!

Wake up and stop blaming

Open ur eyes!

Stand up and rise

Road block oh life penalty

you got to wake up please

youuuuu got tooo

(wake up africa wake up and stop blaming)

blaming ha ha ha

open yours eyes your eyes

stand up and riise

road block oh life penalty
wake up...
