

Tea?

Nneka

I said I am sure you didn't mean it
I said I am sure you didn't mean it, that too
I said I am sure you didn't mean it, sure you didn't mean it

If I told you, how I feel about you coming back to town, would you believe me?
It's been so long, since I last saw you, I have been wondering how you are doing
Have you been more loving to yourself?
Could you get more space, to sort yourself?
And how is your mama, back home in Nigeria
Could you finally rent your house or sell?
Cos I've been missing you

I said I am sure you didn't mean it
I said I am sure you didn't mean it, that too
I said I am sure you didn't mean it, sure you didn't mean it

Would you like to, talk to me about you what you've been doing these days?
I started some yoga, sometime in December it's been good for me
I must say
Could we find some time to have some tea?
Would love to catch up with you by the sea
And how time flies, but my feelings are clear
I must say I am feeling you today

I've been missing you
Cos in your absence, I feel your presence
Babe, when you left
When you left
(Sure, you didn't mean it)

We both needed time for us to grow
I see that you too, you took it slow
See life is beautiful this now I know
I am loving myself now, from head to toe
Do you love yourself like I love myself?
When we love our self, we can love ourselves

I said I am sure you didn't mean it
I said I am sure you didn't mean it, that too
I said I am sure you didn't mean it, sure you didn't mean it, that too
...
