

## Dead Plane

No Age

Please sit down, I'll move up  
Put my face on his backer, yeah  
He needs the room, oo-oo-oo  
I don't wanna fight with you

That's it man, take me home  
Find his shirt, find his shirt, for sure  
He needs the room, oo-oo-oo  
I don't wanna buff it on foot

Please move over, yeah, you know  
Put my face on his backer, yeah  
He needs the room, oo-oo-oo  
I don't wanna fight you
