

## Things I Did When I Was Dead

No Age

Problems when I wanna see you everyone I knew  
Uncle lied and I could die and I said something new  
Would you like the things I saw and bring you too  
I should tell me more I'd like to see me I know where I would

Oooooooooooh

I went down my war I shoots and I take everyone  
Parties like my policy and I take where I'm some  
Damaged like my every thoughts and when you talk I do  
Things I did when I was dead and everyone loves you

Oooooooooooh
