As some of you may know
There's a few names under illusion of dope
Like your mom said, if you suck dick
You'll always make it in the end
She really deserved that dollar
With her watery eyes
She made my dick baptized
(Parazit ty píčo)

Nechápu to co děláte, nechápu to jak to smrdí
Za pár props prdel prodáte, vaše tracky nejsou tvrdý
Technika, styl nepřítomný
Chyby velký, nejsou drobný
My nemáme nic podobný
Michael Myers Shape
Jsem zlo co mění podoby až do doby kdy vymítíme pobudy co tady dělaj hip hop

Lyrická obluda
Rudá je obloha
Modli se proboha

Stvořil jsem netvora
Chybí mu pokora

No one really cares if you die in this fucking pit
This track is gonna make your fucking head split
Stop this whining bitch, looking at your face makes me fucking sick
Put some goddamned respect on our goddamn name
