

Glitch

No Face No Case

No Face No Case back at it again you stupid motherfucker

We're a glitch in the matrix
Say you're tough but you ain't shit

You ain't shit
Motherfucker get a grip
You're the bottom of the barrel while we're out here makin' bangers bitch

Get the fuck out my face

Now you're tryna get in on the hype you fucking bitch
Rippin off my band like I won't notice It's a counterfeit
You're falling behind
Open your eyes
Insecure coward
Is all you are

Heard you say we're a gimmick band
Eat shit you closeminded pricks
How's this for a fucking gimmick

You do you bitch I'll do me
But don't try to be like NFNC
We got the extra spice makes yo girl go nice
Motherfucker this is glitch

You do you bitch I'll do me
I never understood your way of thinking
We're in the sea of thieves
Sailor shit your ship is sinking bitch

This is glitch

(Go)

We're a glitch in the matrix
Turned the whole game around but you keep running your mouth
We're the ones who laid the blueprints
But you ain't stealin shit motherfucker

We're a glitch in the matrix
Turned the whole game around but you keep running your mouth
We're the ones who laid the blueprints
We see right through you're a counterfeit

(Ladies and gentlemen this is No Face No Case 2024, prepare to get your shit wrecked)

Step the fuck up

Bitch we're glitchin' out but this ain't no COD
Pull up pull up I wanna see you try to fuck with me
Call me fucked up, but I don't give a fuck
Now you know the fucking deal, now you know

We're a glitch in the matrix
Turned the whole game around but you keep running your mouth

We're the ones who laid the blueprints
But you ain't stealin shit motherfucker
