

## Away from the Circle

No Fun At All

Don't you think I know what you're doing  
You're coming through the door with a smile  
And all the times I tried to forgive you  
Well that was just another surprise  
I've been waiting for to come

So a brand new life awaits  
Yeah a brand new life  
Live a new life  
And I'm strong like this  
Live a new life  
And I can't forgive  
Live a new life  
And I'm strong like this

Happy as can be  
As I ever could be

Nothing you can say that will help you  
Finally I made up my mind  
Found a track away from the circle  
I've been waiting for to come  
So a brand new life awaits  
Yeah a brand new life

Well I was down under the ice and I could never get up  
Yeah I was down so fucking deep but I never would give up
