

## Runner's High

No Fun At All

I don't know if I told you I gotta keep the pace  
I don't know if I told you I'm the winner of this race

With great determination  
Up against the distance one more time

The further I go, my heart keeps pumping  
The faster you run the sooner you get there  
The further I go, my head keeps pumping  
Pain is inevitable, suffering is optional

I don't know if I told you there was a crossroads on that day  
I don't know if I told you no I'm getting high this way

With great determination  
Up against the distance one more time

The further I go, my heart keeps pumping  
The faster you run the sooner you get there  
The further I go, my head keeps pumping  
Pain is inevitable, suffering is optional

The further I go, my heart keeps pumping  
The faster you run the sooner you get there  
The further I go, my head keeps pumping  
The faster you run the sooner you get there  
The further I go, my heart keeps pumping  
The faster you run the sooner you get there  
The further I go, the further I go  
Pain is inevitable, suffering is optional

Suffering is optional  
Suffering is optional
