

## Willingly Unknowing

No Fun At All

Sitting here and shaking at the top of the world  
Celebrating times that were really absurd  
All I have to do is to say those words  
And then my mind is overflowing

Someone is trying hard for the very first time  
But, someone is laying there saying...

I never had the chance to be the one

Starring at the ceiling at the end of the day  
Stimulating life well that's all I can say  
I don't have to think it's a great relief  
And I am willingly unknowing

A mess, a mess I can't repair the damage  
I can't believe how difficult it is  
A mess, a mess I can't repair the damage  
But I'm never giving in  
No I'm never giving in
