

# Stand

No Innocent Victim

There is no reason  
Why you should hide what you believe in  
Don't be ashamed  
To speak and shine your light before men  
Take every chance  
To let them know why you're living  
It is the Way  
Truth and Life that you will be giving

Stand up for your Maker, hold your ground  
Stand up for your Maker, and be proud  
'Cause it's time to take a stand

I am not proud  
Because of anything that I've done  
My only pride  
Is in Him, I have been called His son

Stand up for your Maker, hold your ground  
Stand up for your Maker, and be proud  
'Cause it's time to take a stand

Stand up for your Maker (x4)

Stand up for your Maker, hold your ground  
Stand up for your Maker, and be proud  
'Cause it's time to take a stand
