

# Teardrop Fall

No-Man

Why the noise  
And why the protest?  
Why try to talk  
When it's all been said?

Why the dream  
And why the dreaming?  
Why try to get away  
When there's no place ahead?

Feel the way teardrops fall.  
Feel the weight  
Teardrop fall.  
Teardrop fall.

Why the rage  
And why the anger?  
Why try to fight  
When you've got no defense?

Why the hope  
And why the hoping?  
Why try to understand  
When it never made sense?

Shut your mouth  
Close your eyes.  
Don't try to answer,  
Don't try to try.

Feel the way teardrops fall.  
Feel the weight  
Teardrop fall.  
Teardrop fall.

Teardrop fall.

Shut your mouth  
Close your eyes.  
Ah, don't try to answer,  
Don't try to try.

Feel the way teardrops fall.  
Feel the weight  
Teardrop fall.  
Teardrop fall.

Teardrop fall.
