Where do you go, my lovely Where do you go I wanna know, my lovely, I wanna know

Where do you go, oh oh eh oh
I wanna know, oh oh eh oh
Where do you go, oh oh eh oh...
I wanna know

You leave without a word, no message, no number And now my head is pounding like rolling thunder You left me with a heartache deep inside Girl you should see me cry all night, and I wonder

Everybody says, what a shame, what is wrong
They don't like the game we play
Heard you're hanging round every night until dawn
I'm waiting for you night and day
[repeat 1]

You gotta break the silence, don't keep me waiting Just like a river flowing to the sea
You're running back to me
Come hear what I'm saying

Where do you go, My Lovely I wanna know

Where do you go, oh oh oh...

Where do you go, oh oh oh...

I wanna know

Where do you, where do you go?...

Save me...

Come back and dry the tears, I cried for you baby You've gotta stop this heartache deep inside You've gotta help me make it through the night safely Come back and save me
