

# Come Back Stronger

No Resolve

I come back stronger  
I come back stronger  
You can't kill me 'cause I come back stronger

Fire is burning  
The ashes rain down around me  
But now when everything is burning down down down  
A fire within me  
The darkness starts to surround me  
But now when everything is burning down down down

I won't quit, I won't give in, won't give up  
I will always be enough

I come back stronger  
Undefeated from the ashes I rise  
I come back stronger  
No retreat from the darkness of night  
I won't give in to the monsters pulling me under  
I silenced all my forces within  
I come back stronger  
You can't kill me 'cause I come back stronger

You can't kill me 'cause I come back stronger (stronger)

A phoenix is rising  
My demons circle around me  
The weaker they are, the harder they fall down down down  
(Down down down)

I won't quit, I won't give in, won't give up  
I will always be enough

I come back stronger  
Undefeated from the ashes I rise  
I come back stronger  
No retreat from the darkness of night  
I won't give in to the monsters pulling me under  
I silenced all my forces within  
I come back stronger  
You can't kill me 'cause I come back stronger

If you want to stop me, you're gonna have to fucking kill me!

What doesn't kill me only makes me stronger  
[?] for the dead much longer  
What doesn't kill me only makes me stronger  
[?] for the dead much longer

Stronger  
Undefeated from the ashes I rise  
I come back stronger  
No retreat from the darkness of night  
I won't give in to the monsters pulling me under  
I silenced all my forces within  
I come back stronger  
You can't kill me 'cause I come back stronger

You can't kill me 'cause I come back stronger (stronger)  
You can't kill me 'cause I come back stronger (stronger)
