

Hostage

No Resolve

I'm feeling like a hostage

Can't breathe, no feeling
Alone, no one can see me
Desperate, I'm pleading
These thoughts keep on repeating

My mind cuts me like a knife
I'm caught up in the lies
I wanna live my life
Am I buried alive inside?

I'm feeling like a hostage
Trapped inside my own head
Can you hear me screaming?
Let me out! Let me out!
I feel so fucking toxic
Broken and I'm heartsick
Can you hear me screaming?
Let me out! Let me out!

I'm feeling like a hostage (Hostage)
I'm feeling like a hostage (Hostage)

Demons, keep feeding
And I can't stop the bleeding
Darkness deceives me
(No one can hear me screaming)

My mind's sharper than the knife
Won't listen to the lies
I'm gonna live my life
Am I buried alive inside?

I'm feeling like a hostage
Trapped inside my own head
Can you hear me screaming?
Let me out! Let me out!
I feel so fucking toxic
Broken and I'm heartsick
Can you hear me screaming?
Let me out! Let me out!

I'm feeling like a hostage (Hostage...)

I am not a hostage
Get me out of my head
I am not a hostage (Hostage)
Get me out of my head

Feeling like a hostage
Trapped inside my own head
Can you hear me screaming?
Let me out! Let me out!

I'm feeling like a hostage
Trapped inside my own head

Can you hear me screaming?
Let me out! Let me out!
I feel so fucking toxic
Broken and I'm heartsick
Can you hear me screaming?
Let me out! Let me out!

I'm feeling like a hostage (Hostage)
I'm feeling like a hostage (Hostage)
I'm feeling like a hostage
