Kill Us

No Resolve

Come a little closer
Let me show you who I am
Everyone has secrets
I am just a man

I'll help you forget the pain
We can find a way
To fix all the mistakes

What doesn't kill us makes us stronger
Now we know what it takes, we will fight
What doesn't kill us makes us stronger
Now we know what it takes, we will fight to survive

Let's dive a little deeper
Show them who we really are
Try a little harder
We've already come this far

We'll help you forget the pain
We can find a way
To fix all the mistakes

What doesn't kill us makes us stronger
Now we know what it takes, we will fight
What doesn't kill us makes us stronger
Now we know what it takes, we will fight to survive

Sometimes it feels like the world is pulling you down
When all that you fought for has turned you around, don't give up

What doesn't kill us makes us stronger

What doesn't kill us makes us stronger
Now we know what it takes, we will fight
What doesn't kill us makes us stronger
Now we know what it takes, we will fight
What doesn't kill us makes us stronger
Now we know what it takes, we will fight
What doesn't kill us makes us stronger
Now we know what it takes, we will fight to survive
To survive
