

Shivers

No Resolve

I took an arrow to the heart
I never kissed a mouth
That tastes like yours
Strawberries
And then something more
Ooh yeah, I want it all
Lipstick on my guitar
Fill up the engine,
We can drive real far
Go dancing underneath the stars
Ooh yeah, I want it all
Mmm, you got me feeling like

I wanna be that guy
I wanna kiss your eyes
I wanna drink that smile
I wanna feel like I
Like my soul's on fire
I wanna stay up all day
And all night
Yeah, you got me singing like

Ooh, I love it
When you do it like that
And when you're close up
Give me the shivers
Oh baby, you wanna dance
Till the sunlight cracks
And when they say
The party's over
Then we'll bring it right back

And we'll say

Ooh, I love it
When you do it like that
And when you're close up
Give me the shivers
Oh baby, you wanna dance
Till the sunlight cracks
And when they say
The party's over
Then we'll bring it right back

Into the car
On the backseat
In the moonlit dark
Wrap me up between your legs
And arms
Ooh, I can't get enough
You know you could tear me apart
Put me back together
And take my heart
I never thought
That I could love this hard
Ooh, I can't get enough
Mmm, you got me feeling like

I wanna be that guy
I wanna kiss your eyes
I wanna drink that smile
I wanna feel like I
Like my soul's on fire
I wanna stay up all day
And all night
Yeah, you got me singing like

Ooh, I love it
When you do it like that
And when you're close up
Give me the shivers
Oh baby, you wanna dance
Till the sunlight cracks
And when they say
The party's over
Then we'll bring it right back

And we'll say
Ooh, I love it
When you do it like that
And when you're close up
Give me the shivers
Oh baby, you wanna dance
Till the sunlight cracks
And when they say
The party's over
Then we'll bring it right back

Baby, you burn so hot
You make me shiver
With the fire you got
This thing we started,
I don't want it to stop
You know you make me
Shiver-er-er
Baby, you burn so hot
You make me shiver
With the fire you got
This thing we started,
I don't want it to stop
You know you make me shiver
Yeah, you got me singing like

Ooh, I love it
When you do it like that
And when you're close up
Give me the shivers
Oh baby, you wanna dance
Till the sunlight cracks
And when they say
The party's over
Then we'll bring it right back

(Oh no) And we'll say

Ooh, I love it
When you do it like that
And when you're close up
Give me the shivers
Oh baby, you wanna dance

Till the sunlight cracks
And when they say
The party's over
Then we'll bring it right back,
Hey
