

## Adore

No Rome

Baby, you are what I adore  
Everything you do, you know  
My love is all I got to give, baby, just let me know  
If you wanna settle down  
Got me thinking in my head right now  
My love is all I got to give, baby, just come on down

Baby, you are what I adore

My love is all I got to give, baby, just let me know  
If you wanna settle down  
Got me thinking in my head right now  
My love is all I got to give, baby, just come on down  
Come on down...
