How many times I say the words Again and again and again and again A thousand different ways I say I love you

And I tell myself I can and I can If I say the words again and again A thousand different ways I say I need you

When I'm with you walls will crumble I sit down I stand I stumb le Every word I mumble comes out wrong

And again I try, trip and fall, Burn inside and again I call your name...

And I want to dance this dance with you This crazy dance for tw o And dancing I'll pretend Everything's alright And you, stay w ith me tonight Baby...

Lately I've said these words Again and again and again and again n Don't know if there's anyone to listen

And I tell myself I can and I can 'Cause I didn't run when the others ran And never really cared what I was missing

When I'm near you I'm the queen or I'm nothing Or I'm in betwee n Always running not so sure where to...

And you, again your face Touch me but you won't embrace me Why?

And I want to dance this dance with you This crazy dance for tw o And dancing I'll pretend Everything's alright And you, stay w ith me tonight Baby..

And I want to dance this dance with you This crazy dance for tw o And dancing I'll pretend Everything's alright And you, stay with me tonight Maybe..

Again and again A thousand different words for keepin g still

And I tell myself try something new, There are a thousand thing s that you can do And I know I can... And I know I never will.
