## **5 Years Time**

## Noah and the Whale

Oh well in five years time we could be walking round a zoo With the sun shining down over me and you And there'll be love in the bodies of the elephants too And I'll put my hands over your eyes, but you'll peep through And there'll be sun sun sun All over our bodies And sun sun sun All down our necks (?) And sun sun sun All over our faces And sun sun sun So what the heck 'Cause I'll be laughing at all your silly little jokes And we'll be laughing about how we used to smoke All those stupid little cigarettes And drink stupid wine 'Cause it's what we needed to have a good time And it was fun fun fun When we were drinking It was fun fun fun When we were drunk And it was fun fun fun When we were laughing It was fun fun fun Oh it was fun Oh well I look at you and say It's the happiest that I've ever been And I'll say I no longer feel I have to be James Dean And she'll say Yah well I feel all pretty happy too And I'm always pretty happy when I'm just kicking back with you And it'll be Love love love All through our bodies And love love love All through our minds And it be Love love love All over her face And love love love All over mine
