

Five years time

Noah and the Whale

Oh, well, in five years time
we could be walking round a zoo
With the sun shining down over me and you

And there'll be love in the bodys of the elephants too
and I'll put my hands over your eyes, but you'll peek through

And there'll be sun, sun, sun all over our bodies.
And sun, sun, sun all down our necks
And There'll be sun, sun, sun all over our faces
And sun, sun, sun so, what the heck

'cause i'll be laughing at all your silly little jokes
And we'll be laughing about how we used to smoke
All those stupid little cigarretes and drinks stupid wine
'cause it's what we need to have a good time

But it was fun, fun, fun when we were drinking.
It was fun, fun, fun when we were drunk
And it was fun, fun, fun when we were laughing
It was fun, fun, fun oh, it was fun.

Oh, well, ill look at you and say "it's the happiest that i've ever been"
And i'll say: "i no longer feel i have to be james dean"
And she'll say: "yeah, well i feel all pretty happy too, and i'm always pretty happy when i'm just kicking back with you"

And it be love, love, love all throught our bodys.
Love, love, love all throught our minds
And it be love, love, love all over her face
And love, love, love all over mine.

And i'll remember all these moments but there just my head
I'll be thinking about them as im lying in bed
And i know that they might not even come true
But in my mind i'm having a pretty good time with you

Five years time I might not know you
In Five years time We might not speak
In five years time We might not care about
Five years time I might just prove you wrong.

Oh, there'll be love, love, love
Wherever you go
There'll be love, love, love
wherever you go the'll be love, love, love
wherever you go they'll be love
