

I Just Want a Lover

Noah Cyrus

In the united hate of America, the hearts are just as broken as the nation
Where all we do is tear each other down, trapped inside this permanent staycation

I can't believe I didn't see
A mistake is just a state of my identity
And I believed that I'll never, ever get it right

The twisting of the knife, the bend until the break, and then it all goes wrong
A kiss and I go blind, can't see, it's just my fate and it's unlivable
Yeah, I just want a lover who's in love with me
Not another liar making love to me
I'm sick of hoping, tired of waiting
I just want a lover who's in love with me

I-I-I-I-I-I, I-I-I-I-I-I
I-I-I-I-I-I, I-I-I-I-I-I
I-I-I-I-I-I, I-I-I-I-I-I
I-I-I-I-I-I, I-I-I-I-I-I

I picked my conscience over clarity and deal with the disparity, it's anarchy
And the narcissists all run at me with guns ablaze, no empathy, insanity

I can't believe I didn't see
A mistake is just a state of my identity
I got a feeling I will never, ever get it right

The twisting of the knife, the bend until the break, and then it all goes wrong
A kiss and I go blind, can't see, it's just my fate and it's unlivable
Yeah, I just want a lover who's in love with me
Not another liar making love to me
I'm sick of hoping, tired of waiting
I just want a lover who's in love with me

I-I-I-I-I-I, I-I-I-I-I-I (Ooh, ooh)
I-I-I-I-I-I, I-I-I-I-I-I
I-I-I-I-I-I, I-I-I-I-I-I
I-I-I-I-I-I, I-I-I-I-I-I
I-I-I-I-I-I, I-I-I-I-I-I (Ooh, ooh)
I-I-I-I-I-I, I-I-I-I-I-I

In the united hate of America, the hearts are just as broken as the nation
I-I-I-I-I-I, I-I-I-I-I-I
I-I-I-I-I-I, I-I-I-I-I-I

In the united hate of America, the hearts are just as broken as the nation

I-I-I-I-I-I, I-I-I-I-I-I

I-I-I-I-I-I, I-I-I-I-I-I
