

# I'm Alright

Noah Gundersen

Lost my head again  
With my only friends  
With my only  
Even if the shoe don't fit  
Try and remember when  
You walked a mile in it

I'm alright  
I'm alright  
I'll be fine  
I'll be fine  
I'm alright

Telling it like it is  
Hope they remember it  
Hope they remember  
Throwing your secret wish  
Into the gaping pit  
Making the most of it

I'm alright  
I'm alright  
I'll be fine  
I'm alright  
I'm alright  
I'll be fine  
I'll be fine  
I'm alright
