

Kamikaze

Noah Gundersen

Wait
She said I can't wait
For your payday
For your love

Wait
More problems
Now I've got em
And I'm so f*cked

A scarecrow
Hanging from a wire
Silver and gold caught fire
Pump me full of drugs
Cause now you're
Asking for an anchor
A suicidal savior
A kamikaze love

Send me
A dirty picture
And say it's over

One more time

You are
Above all others
Under covers
My favorite one

A scarecrow
Hanging from a wire
Silver and gold caught fire
Pump me full of drugs
Cause now you're
Asking for an anchor
A suicidal savior
A kamikaze love

Now you're
Asking for an anchor
A suicidal savior
A kamikaze
