

Some Nights

Noah Gundersen

Some nights I don't answer when you call
Some nights I don't say anything at all
Some nights

Some nights I go locking all the doors
Some nights I hear ghosts in the floor
But it's unlikely they'll be listening anymore

Never gonna give this up
Or shake this dust
Or walk away and not hesitate
But one things true
I'll never lie

Some nights I see blood on the wall
Some nights I think I'm losing it
It's alright if you stay
It's alright if you go
It won't get any better
Just so you know

Never gonna give this up
Or shake this dust
Or walk away and not hesitate
Know one things true
I'll never lie

Never gonna give this up
Or shake this dust
Or walk away and not hesitate
Know one things true
I'll never lie

Never gonna give this up
Or shake this dust
Or walk away and not hesitate
Know one things true
I'll never lie
To you

I'll never lie
