

WAKE ME UP, I'M DROWNING

Noah Gundersen

I can't talk
No mouth to scream
I can't run
On my broken feet

I can't see
Anything
But I can feel it
Right behind me

I can't breathe
My lungs are burning
But I can feel
The air around me
Pressing in
Overwhelming
Everything

It's just a dream
Drowning
Wake me up, wake me up
I'm dreaming
I can't swim
Wake me up, wake me up
Again

I can't reach
To the bottom
Below my feet
In muddy water
Something creeps
I swear I saw it
Right behind me

It's just a dream
Drowning
Wake me up, wake me up
I'm dreaming
I can't swim
Wake me up, wake me up
I'm dreaming
I can't swim
Wake me up, wake me up
I'm dreaming
I can't swim
Wake me up, wake me up
Again
