

# Homesick

Noah Kahan

Two months since you got back  
How have you been and are you bored yet?  
The weather ain't been bad  
If you're into masochistic bullshit  
And every photograph  
That's taken here is from the summer  
Some guy won Olympic gold  
Eight years ago a distance runner  
And that makes a lot of sense  
This place is such great motivation  
For anyone tryna move  
The fuck away from hibernation  
Woooo

Well I'm tired of dirt roads  
Named after high school friends' grandfathers  
And motherfuckers here  
Still don't know they caught the Boston bombers  
Time moves so damn slow  
I swear I feel my organs failing  
I stopped caring 'bout a month ago  
Since then it's been smooth sailing

I would leave if only I could find a reason  
I'm mean because I grew up in New England  
I got dreams but I can't make myself believe them  
Spend the rest of my life with what could have been  
And I will die in the house that I grew up in  
I'm homesick  
I'm homesick  
I'm homesick

Oh

I would leave if only I could find a reason  
I'm mean because I grew up in New England  
I got dreams but I can't make myself believe them  
Spend the rest of my life with what could have been  
And I will die in the house that I grew up in  
I'm homesick  
I'm homesick  
I'm homesick  
I'm homesick
