

Comeback

Noah Schnacky

My friends are saying shake it off
You ain't being yourself
They are telling me that it's her loss
Like I'll find someone else
Telling me you
You could do better
Just forget her
You
Girl, you won't leave my mind

They're all waiting for my comeback
They don't know that
Miss you so bad
Girl, I can't breathe
Ever since you left my arms girl
It's been hard girl
Left a scar girl
No one can see
That I'm looking for my comeback
Get your heart back
Wanna be that thing that you need
Only thing I need to comeback
Only thing I need a comeback
Is you to come back to me
Yeah, is you to come back to me
Yeah, is you to come back to me

That kiss
Even though it's been a while
You got me wondering who you're with
Does he drive you wild
All my friends say you
You need to get out
Take it downtown now
You yeah yeah
When all I want is you

They're all waiting for my comeback
They don't know that
Miss you so bad
Girl, I can't breathe
Ever since you left my arms girl
It's been hard girl
Left a scar girl
No one can see
That I'm looking for my comeback
Get your heart back
Wanna be that thing that you need
Only thing I need to comeback
Only thing I need to comeback
Is you to come back to me

Come back to my street
Come back to my drive
No one does what you do
And no one knows what it's like

They're all waiting for my comeback
They don't know that
Miss you so bad
Girl, I can't breathe
Ever since you left my arms girl
It's been hard girl
No one can see
That I'm looking for my comeback
Get your heart back
Wanna be that thing that you need
Only thing I need to comeback
Only thing I need to comeback
Is you to come back to me
Is you to come back to me
Is you to come back to me
Is you to come back to me
Is you to come back to me
