

# I'll Be The One

Noah Schnacky

Ever since you could remember girl  
You've been waiting on a gentleman  
To be your steady rock and rock your world  
To build your little White House on a little land  
If you want someone to want you, need you  
Keep you close and never leave you  
Be my baby and I'll be the...

Ooh, I'll be the one  
That you're calling, talking to your momma all about  
The one you're always with and never wanna live without  
I'll be the one who got the one that got away, yeah  
If you let me baby  
Ooh, I'll be the one  
To hold you up, hold your hand, the one to hold the door  
The one you're holding on, that you've been holding out for  
I'll be the one you're looking at when all your looking's done  
If you'll be my lady  
I'll be the one

(I'll be the one, yeah  
I'll be the one)

Well tell me if I'm talking out of place  
Let me know if I'm right on the money  
I like to think the smile on your face  
Is 'cause you like the way I call ya honey

You want my jacket? Well you can have it  
You want my love, it's automatic

I'll be the one  
That you're calling, talking to your momma all about  
The one you're always with and never wanna live without  
I'll be the one who got the one that got away, yeah  
If you let me baby  
Ooh, I'll be the one  
To hold you up, hold your hand, the one to hold the door  
The one you're holding on, that you've been holding out for  
I'll be the one you're looking at when all your looking's done  
If you'll be my lady  
I'll be the one

(I'll be the one)  
Let me be the one  
Let me be the one  
(I'll be the one)  
Let me be the one, baby

Ooh, you make me wanna make you happy, make you coffee  
Make your daddy wanna call me "son"  
If you'll only let me be your one and only one

I'll be the one  
That you're calling, talking to your momma all about  
The one you're always with and never wanna live without  
I'll be the one who got the one that got away, yeah

If you let me baby  
Ooh, I'll be the one  
To hold you up, up, up, and hold the door  
The one you're holding on, that you've been holding out for  
I'll be the one you're looking at when all your looking's done  
If you'll be my lady  
I'll be the one

(I'll be the one)  
Let me be the one  
Let me be the one  
(I'll be the one)  
Ooh, yeah  
I'll be the one you're looking at when all your looking's done  
If you'll be my lady  
I'll be the one

Let me be the one  
Let me be the one, baby
