

Maybe We Will

Noah Schnacky

Well, baby, lay that guard down
Let me get past that smile
I wanna know who you are
Can we talk for a while?
Yeah, we could laugh the night away
We could be more than friends
You'll never know unless you stay
Come on, let's take that chance

'Cause we might be each other's
Last first kiss
And this could be the story
That we tell our kids
How a midnight slow dance
Became a house on the hill
Well, baby, maybe we won't
But maybe we will, yeah

Well, baby, don't think about
How we might crash and burn
Yeah, I can see it in your eyes
I know we've both been hurt
And I don't know what to say
I don't have any lines
But if I didn't say something
I'd regret it for the rest of my life

'Cause we might be each other's
Last first kiss
And this could be the story
That we tell our kids
How a midnight slow dance
Became a house on the hill
Well, baby, maybe we won't, no
But maybe we will

Can we just move
With your body on mine to the rhythm of this groove
Until it's just you and I in this crowded room
Baby, we can take our time
Just know that tonight

We might be each other's
Last first kiss
And this could be the story
That we tell our kids
How a midnight slow dance
Became a house on the hill
Well, baby, maybe we won't (Maybe we won't)
But maybe we will, yeah
We might just grow old
In that house on the hill
Well, baby, maybe we won't, no
But maybe we will

Never know, never know, never know baby
