

Stay

Noah Thompson

All along, it was a fever
A cold sweat, hot-headed believer
I threw my hands in the air, said, "Show me somethin'" (Show me somethin')
You said, "If you dare, come a little closer"

Around and around and around and around we go (Around we go, around we go)
Oh, now, tell me now, tell me now, tell me now you know

Not really sure how to feel about it
Somethin' in the way you move
Makes me feel like I can't live without you
And it takes me all the way
And I want you to stay, yeah

It's not much of a life you're livin' (Livin')
It's not just something you take, it's given (Given)

Around and around and around and around we go (Around we go, around we go)
Oh, now, tell me now, tell me now, tell me now you know

Not really sure how to feel about it
Somethin' in the way you move
Makes me feel like I can't live without you
And it takes me all the way
And I want you to stay, yeah

(Ooh) The reasons I hold on
(Ooh) 'Cause I need this hole gone
Funny you're the broken one
But I'm the only one who needed savin', oh
'Cause when you never see the light
It's hard to know which one of us is cavin'

Not really sure how to feel about it
Somethin' in the way you move
Makes me feel like I can't live without you
And it takes me all the way
And I want you to stay

And I want you to stay
And I want you to stay
