

## Be With You

Noah

I don't know how long I loved you  
Or when my heart it started falling  
Don't care where I'm going  
Don't care where I've been  
When I'm with you

I'd do anything to have you  
No distance I wouldn't travel  
I would sail the ocean  
Walk a thousand miles  
To be with you  
To be with you  
To be with you

Oh I've got to have you honey  
Don't need no fame or money  
'Cause you are the thing  
That I need  
Oh I've got to have you baby  
'Cause I've been going crazy  
So won't you please tell me what I have to do  
To be with you  
To be with you  
To be with you  
To be with you

I don't know how long I loved you  
But in my heart it started falling  
I would sail the ocean  
Walk a thousand miles  
To be with you  
To be with you
