

### 3 DAY HEADACHE

NOAHFINNCE

Been away for a minute but you're never gonna lose me  
I got tired of refusing  
Any help just to get me out of bed and keep it moving  
Tryna cover up the bruises

Can't help but think that we've been overdosing  
Tryna eat up all the serotonin  
Don't tell me just to live in the moment (No)

I've got a three day headache and it's all in my head  
Stuck on the same three things playing over again  
And I don't understand what's up with that  
I've got a three day headache and it's all in my head  
Stuck on the same three things playing over again  
And I don't understand  
But I'm waiting on a breakdown

La, da-da, la, da-da, la-da  
La, da-da, la, da-da, da-da  
La, da-da, la, da-da, la-da  
La, da-da, but I'm waiting on a breakdown

Three years and I bet you're wishing that you're gonna lose me  
Bit off more than I can chew  
Getting help never seems to kill the pain, it's fucking useless  
(Fucking useless)  
And I'm tired of tryna prove it

Can't help but think that we've been overdosing  
Tryna eat up all the serotonin  
Don't tell me just to live in the moment (No)
