

MIND BLANK NO THOUGHTS

NOAHFINNCE

I tend not to think too much
My friends seem to give a fuck
I think we're all out of touch
(Just in case you didn't remember)
So I tend not to give a fuck

Lost boys
Lost girls
Lost people in a fucked up world

Lost boys
Lost girls
Lost people in a fucked up world

Lost boys
Lost girls
Lost people in a fucked up world

I confess that I sleep too much
My friends seem to give a fuck
I think that I have a crutch
(Just in case you did forget)
So I tend not to give a fuck

Lost boys
Lost girls
Lost people in a fucked up world

Lost boys
Lost girls
Lost people in a fucked up world

Lost boys
Lost girls
Lost people in a fucked up world

Lost boys
Lost girls
Lost people in a fucked up world

Lost boys
Lost girls
Lost people in a fucked up world

Lost boys
Lost girls
Lost people in a fucked up world

Lost boys
Lost girls
Lost people in a fucked up world

Lost boys
Lost girls
Lost people in a fucked up world
