

# Calling My Name

NoCap

Thirteen like he got game

Ooh...

He wanna ball like he got game

My name (calling), yeah (calling)

That pussy calling my name (calling me, calling me, calling)

It must keep calling my name (calling me, calling me, calling)

She thought I'd change cause I got fame (calling me, calling)

My dogs in and out the court like he got game (calling)

With NoCap in this shit for life we just like Ray and Clyde (Ray and Clyde)

She told me to fuck her like I'm on punishment

Want me to stay inside (stay inside)

Like I got a bald head, I could never dye (never dye)

I got love for all my dogs I hope they never try (I hope they never try us)

Leave them percs with black eyes with how I abuse it (how I abuse it)

I sip on Marques, all this lean come Houston (this come from Houston)

So many Drakes... I'm screaming Keke, do you love me?

Jump out the car while that bitch running if they want beef (if they want)

Ayo we chew them Percocets just like some hubba bubba

Ain't signed to Young Money but we come straight out the Gudda Gudda

Cash out on a Rollie but its a plain Jane

She on her rag, I had to ask her do she gang bang

I just want to do mouth, you keep your pussy for your old man (old man)

Its a trap, I knew they all would crack just like cocaine (cocaine)

If my name was E, I still wouldn't tell you it was easy (I wouldn't tell)

Stomach on my back, I thought my name would've been Peezy (Peezy)

Yea, stomach OMB (Yea)

She never praying but she on her knees (she on her knees)

(Yea) I gotta stay up out them chains (out the chains)

(Ooh) I can't keep given time free (given time free)

(Yea, uh) Somebody bought the streets a cell phone cause they keep calling (ooh)

And they keep throwing shots, my gloves on still never caught it (yea)

Move state to state I don't got time to make a homerun (homerun)

My lil nigga know I'ma step, but I'ma treat him like my own son (like his dad)

Had to throw them clothes under the mattress we ain't have no irons

Dropped out and now he caught a body they gave him ten times ten (ten)

Three hundred for her mouth but that girl ain't a Spartan (Spartan)

Go to school, come home, do hair at night she gotta bartend

We was on the same block I know that I'm a center (I'm a center)

They was trying to beat me to it like a power forward (ah-ha)

Draco got wood, lately I been picking splinters

Riding round with magazines even though we ain't board

I still wouldn't hook up with that hoe if she made this chorus (she did the hook)

They interrogate, they tell on me and everybody know it

That pussy calling my name (calling me, calling me, calling)

It must keep calling my name (calling me, calling me, calling)

She thought I'd change cause I got fame (calling me, calling)

My dogs in and out the court like he got game (calling)
