

Harder Than Hard

NoCap

Rolex on no chain slide with the doors off
Rolling through the bottom tryna knock a nigga top off
Ain't tryna go to jail we tryna leave that nigga unsolved
I know I'm a dog so I'm riding with the roof off
I'm harder than hard it's not a facade
Fuck it I'm the realest nigga in it
This a Percocet bitch this is ain't no xanax
Bitch I'm outer space I'm so close to planets

And I'm fly as hell I ain't close to landing
She suck my dick so good she's going to make me kill her family
When them bullets got to hitting niggas started dancing
When them bullets start to hitting niggas went to praying
Margiela cost me 15 I don't know her name so I guessed & called
her Britney
Ain't turning myself the police got to come and get me
Murder eczema it's like my trigger finger itching I think all m
y opps be snitching
I think all my opps be snitching

Rolex on no chain slide with the doors off
Rolling through the bottom tryna knock a nigga top off
Ain't tryna go to jail we tryna leave that nigga unsolved
I know I'm a dawg so I'm riding with the roof off
I'm harder than hard it's not a facade
Fuck it I'm the realest nigga in it
This a Percocet bitch this is ain't no xanax
Bitch I'm outer space I'm so close to planets

Once I tell my niggas go there is no stopping them
Them boys ready to kill your momma they get to poppin shit
Them boys be ready to kill your momma kill your pop and shit
We hit the scene with an F&N that was not a stick
They wish I was still was broke they didn't imagine this
Double clips we be pulling up with macks and shit
Project bitch her friends pulling up with bats and shit
I'm cutting ties but these guns got attachments

Rolex on no chain slide with the doors off
Rolling through the bottom tryna knock a nigga top off
Ain't tryna go to jail we tryna leave that nigga unsolved
I know I'm a dawg so I'm riding with the roof off
I'm harder than hard it's not a facade
Fuck it I'm the realest nigga in it
This a Percocet bitch this is ain't no xanax
Bitch I'm outer space I'm so close to planets
