

Mistake

NoCap

D.Hill

Got her off all these niggas
I'm gon' hit the lil' bitch no Jimmy: Neutron
2020 it's tinted, and that bitch came with artillery
Nigga can't do me like 'Pac, or do me like John F. Kennedy
This how I live, I ain't saving no pictures
I ain't gotta keep up with images
Ain't talking food, I just fucked two bitches by mistake
But I don't go on dinner dates, bitches come from different ways
Got AK's on the interstate, bust down on my time frame
Really I just want her brain, cause she keep playin' mind games

Ayy I'm always on top, I'm gon' remind you when you look up
I get fly as hell, I think my closet need an airport
Fuck around exercise your whip, so just be careful how you pull up
Nigga my soul empty, that's why I take drugs and I get full of 'em
No I ain't happy, niggas goin' out sad, I'm still in my bag
Couple niggas had fronted on me, but it don't match, they still in the back
Hope the coach ain't mad, I come through the line and fuck up the sack
She got a baby face, I'm still pullin' out and leave kids on her lashes
If I didn't find my way in rap, guess I would've took the dope route
You weren't thuggin' in my circle, when a nigga was wearin' Reeboks
I'ma shit on all these niggas, I got different color money like NoCap a damn
peacock
Them birds shoot soon as he peak out

Got her off all these niggas

I see them niggas they runnin' like Hillary, that's why my watch presidentia
l
They was blind, I put on water like a sea, the other one Oyster Perpetual
Told her "Hey", I know she bisexual, so I put her up for the next one
Grade A diamonds, test em'
No key for the car, I wasn't tryna impress you
If you ain't got a gun you can't come in my area
I'm out on bond, steal a FN and carry it
My niggas can't hoop, but they stand in the alley
Come through the hole and we dunk all in traffic
Watch how you step when them bullets start traveling
I fucked, she was cool, fantastic
Fuck around and got hot through the pandemic
Have you had a trap worth more than a damn mansion
We would think I did every show with a damn hammer
My niggas be ready to shoot, so stop dancing
And I kept it real from the start, think I did everything on my end
In that jungle, hunting, tryna put him on Fox 10
Don't even try to look in, all you see is reflections

Got her off all these niggas
I'm gon' hit the lil' bitch no Jimmy: Neutron

2020 it's tinted, and that bitch came with a body in it
2020 it's tinted, Usually somethin' I'll rent
Shopping for them niggas, I got my 40 in Lennox
Timmy, Ike & Tina; these niggas turn into bitches
