

Very Special

NoCap

Yeah, yeah
Yeah, yeah (Go Grizz')
Yeah, yeah

They taught that extra shit in school, all I needed to learn was chase a check
Walk 'round with two-hundred thousand cash, I feel very special
Swang that Lambo' through the parkin' lot and I be breakin neck
s
My shooter don't touch the rim so we ain't beefin' on no internet
Brand new stash spot (Stash spot)
Brand new AP (AP)
She got her ass out (Ass out)
She can't persuade me ('Suade me)
Brand new Porsche coupe (Uh, uh), turbo
We ain't squashin' beef (Pop, pop), poles blow

Got on thousand dollar shoes, I feel very special
Opp nigga just made the news, I feel very special
Pull off in a Huracan, came back in a Tesla
Walk 'round with a loaded gun, can go for the set up

Lifestyle expensive, need to walk 'round with a camera
Louis V from head to toe, I'm lookin' like a scammer
Don't pillow talk to hoes, that's how you get your bitch fucked
Nigga, I love you, but it's fuck you 'cause you switched up
If I'm in the club, then that bitch in the car tucked
If it's real smoke then ain't no way they dodge us
Lean in my cup, this ain't champagne but we 'bout Dracos
Give 'em halo's, I'm talkin' till the case closed
