

(It's Good) To Be Free

Noel Gallagher

Head like a rock spinning round and round
I found it in a hole sitting upside down
You point your finger at me but I don't believe
Paint me a wish on a velvet sky
You demand the answers but don't know why in my mind
There is no time

But the little things they make me so happy
All I wanna do is live by the sea
Little things they make me so happy
But it's good, it's good, it's good to be free

So what would you say if I said to you
It's not in what you say it's in what you do
You point the finger at me but I don't believe
Bring it on home to where we found
My head's like a rock sitting upside down
In my mind there is no time

But the little things they make me so happy
All I want to do is live by the sea
Little things they make me so happy
But it's good, it's good, it's good to be free

Yeah it's good, cos it's good, it's good to be free
