

## Keep On Reaching

Noel Gallagher

Keep on running  
Down that long black road  
You'll find sunshine and flowers  
And maybe love to behold  
But, can you keep a secret?

Keep on reaching  
Up for a higher ground  
But don't keep on preaching  
From that book you found  
Can you keep a secret?

I can play it on an old guitar  
You can sing it like a monkey man  
Don't speak of soul 'cause you've got none  
And all the kids in a funky bar  
Dressing down like a bogeyman  
If they don't mind and you don't mind  
I'm gonna write that in a song

But, can you keep a secret?

On the cover of a magazine  
You wore a face that I've seldom seen  
You spilled your guts but you've got none  
You're driving round in a beat up car  
That you found on the road you run  
If they don't mind and you don't mind  
I'm gonna write that in a song

Can you keep a secret?

Keep on reaching  
Up for a higher ground
