

Y.O.U. nothing but Y.O.U.
the reason for living, I lay my love on you
Y.O.U. nothing but Y.O.U.
the call into being, I lay my hands on you
Y.O.U.

If I`d never understand my jealousy
Don`t cover your eyes and the colour inside your heart
If I ever stay to reap our sowing seeds
Don`t search out forlies, no reasons to live apart

Y.O.U. nothing but Y.O.U.
the reason for living, I lay my love on you
Y.O.U. nothing but Y.O.U.
the call into being, I lay my hands on you
Y.O.U.

Y.O.U. nothing but Y.O.U.
the reason for living, I lay my love on you
Y.O.U. - nothing but Y.O.U.
the call into being, I lay my hands on you
Y.O.U.
