

You're selling sexism.
You're selling racism.
You're selling anything you get your fucking hands on.
An understanding;
you got a plan in,
a presentation to advertisers who demand it.
When you plan that,
antennas pointed in the right direction.
You make a deal in any situation,
so with no evacuation,
let California fall into the fucking ocean!
Oh ya they talk to ya.
Oh You're the town man.
Hollywood high-profile scum-bag.
Ya it's a done deal,
it's been signed and sealed.
Deal-makers making it all happen.
When you plan that,
antennas pointed in the right direction.
You make a deal in any situation,
so with no evacuation,
let California fall into the fucking ocean!
let California fall into the fucking ocean!
let California fall into the fucking ocean!
Let's all sing to California as it falls into the sea!
