it's over before it starts, oh don't you know
so on your marks, standby, ready, go
from London to New York, Montreal to Tokyo
i see visions of her everywhere i go.

what have i become (i become), now that i'm alone
i'm just looking for, a way to break through these walls
i'm just looking, for a place that i can call my home
is anybody out there got a soul, cuzim just lookin' for a girl
the girl with the heart of gold

she overturns once again with her, oh with her champagne taste,

she goes straight down the rat hole
with her total recklessness, tomorrow will come on through
and i got nothing but a silhouette girl, met her in darkness, a
