

Radio

NOFX

(Yeah, long time many people have suffered)

Never fell in love
Until I fell in love with you
Never knew what a good time was
Until I had a good time with you
If you wanna get the feeling and you wanna get it right
Then the music's gotta be loud
For when the music hit's me
I feel no pain at all

Here it is
Here I am
Turn it up fuckin' loud
Radio, Radio, Radio
Radio, Radio, Radio
When I got the music, I got a place to go
Radio, Radio, Radio
Radio, Radio, Radio
When I got the music in me, I got a place I can go

I got a place I can go

Warm summer night
I was drinking with my dad
He tried to give me love that I never had
But he gave more love to his bottle of wine
So I had to go out and find
Love of another kind

Here it is
Here I am
Turn it up fuckin' loud
Radio, Radio, Radio
Radio, Radio, Radio
When I got the music, I got a place to go
Radio, Radio, Radio
Radio, Radio, Radio
When I got the music in me, I got a place I can go

Radio clash
Magnificent 7
I was a choirboy
You showed me no heaven.
Two tools surely lost
(Radio, Radio, Radio)
No remorse ignoring the cost.
(Radio, Radio, Radio)

Everybody!
Radio, Radio, Radio
Radio, Radio, Radio
When I got the music, I got a place to go
Radio, Radio, Radio
Radio, Radio, Radio
When I got the music in me, I got a place to go
