

## Stranger Than Fishin'

NOFX

Got a no string guitar  
Got a sun beta head  
I'm a rock 'n' roll star  
I ain't no musician  
Some things are stranger than fishin'

Know how to beat on a drum  
Know how to sing outta key  
Got some prescription drugs  
I ain't no musician  
Some things are stranger than fishin'

Yeah, I know what I am  
Chop up another gram  
Some of us have all the luck  
No matter how much we fucking suck!
