

# Thank God It's Monday

NOFX

Monday is my favorite time of year

I'm gonna tell you what I really think I like about Mondays  
Cause they feel like Saturdays  
When you don't gotta go to work  
Every day is a holiday  
I wake up when I want to  
I do anything I wanna do  
Can't wait for Tuesday

I really never liked Fridays (I don't)  
I can't do what I wanna do (Like to do)  
Sold out at the movies (Sold out)  
Can't eat at the restaurants (Restaurants)  
Everybody want a good time  
But the bar's full of cigarette smoke  
I think I'll stay home  
I think I'll wait for Monday

I live a 5 day weekend  
I gotta year long holiday  
Thank God it's Monday  
The only place I gotta go be  
Is at the show or on the first tee  
Thank God for Monday  
Nevermind the aggravation, modulation  
Gimme another key

I'll tell you why I like Tuesdays (Wednesday)  
Cause the're kinda like Christmas (New Years)  
Come to think about Wednesdays (Thursday)  
Are a little like Hannakah (Every day is good)  
Thursday's Thanksgiving  
I'm talking about good living  
I'll think I give thanks  
Thank God it's monday
