Don't mark me up  
Bit stiff on the back  
Don't need your blood  
Just give me some sweat  
Don't trust your luck  
This isn't a threat

I'll bump a bitch, flesh pieces in my nails  
Bump a bitch, flesh pieces in my nails  
Bump a bitch, flesh pieces in my nails, hah  
Run bunny, run

It ain't smarts baby just a muscle game  
Your mouse ain't running  
Don't blame the wheel  
It loop in like 'Oops, I did it again'

Now sharp your nails  
All the sad ones, on the meds  
Sharp your nails  
All the bad ones, all the cats  
Up the bass  
All the hands up  
Now back off  
You know why

I'll bump a bitch, flesh pieces in my nails  
Bump a bitch, flesh pieces in my nails  
Bump a bitch, flesh pieces in my nails, hah
