

No News On Tv

Noga Erez

Man, I'm so bored
One, two, three, uh

I don't wanna look at my phone anymore
I don't wanna roll like a stone anymore
I cannot hear my thoughts in this silence no more
Bring back the noise, bring back the noise
I guess I must've been in my room for too long
Black flags, red fronts, in my eyes for too long
We gon' be alright, they don't play it no more
Play it no more, don't play it no more

Tick-tock, I just woke up and I don't know what's the time
No one's looking at the clock 'cause there's nowhere to climb
Tick-tock, I just woke up and there's no news on TV
No more selling stuff for money, everybody's free

Man, I'm so bored, uh

I don't wanna look at my phone anymore
I don't wanna roll like a stone anymore
I can't hear my thoughts in this silence no more
Bring back the noise, bring back the noise
Somebody came in and broke the lock
We didn't even notice we were stuck
It's like, clean your nose, smell the rose
Body but don't overdose
Hold your hose, pick a pose, universe slows

Tick-tock, I just woke up, and I don't know what's the time
(Tell ya, we got nothing to lose)
No one's looking at the clock 'cause there's nowhere to climb
Tick-tock, I just woke up, and there's no news on TV
(Tell ya, we got nothing to lose)
No more selling stuff for money, everybody's free

Come out, play with your enemies
Come out, play with your enemies
Come out, play with your enemies
Come out, play with your enemies

Tick-tock, I just woke up, and I don't know what's the time
(Tell ya, we got nothing to lose)
No one's looking at the clock 'cause there's nowhere to climb
Tick-tock, I just woke up, and there's no news on TV
