

Story

Noga Erez

What's your story? (Make my day)
I'm so happy (Make my day)
Why so shaky? (Make my day)
Too much coffee (Snap out of it)
What's your story? (Snap out of it)
I'm so ugly (Snap out of it)
Melancholy (Snap out of it)
Too much coffee (Make my day)
What's your story? (Make my day)
I'm so happy (Make my day)
Why so shaky? (Make my day)
Too much coffee (Snap out of it)
What's your story? (Snap out of it)
I'm so ugly (Snap out of it)
You keep on mumbling
Way too much coffee

Comfy in my big mess, one big mess
I can't find my stuff when things are in place
Shut the love up, quiet make me quite distressed
Stressing, I can fit my things in one case
Where's the bass?

You just mumbling
Slick, slack, watch your back
You just mumbling
Quick, quack, quick, quack
Bet you positive
You a genius, genius
Always talking with your chest
Spit in my face, spit in my face, tell me

What's your story? (Make my day)
I'm so happy (Make my day)
Why so shaky? (Make my day)
Too much coffee (Snap out of it)
What's your story? (Snap out of it)
I'm so ugly (Snap out of it)
You keep on mumbling
Way too much coffee

Where's my suitcase? (Oy)
I move to mute phase
Woke up at two, face
Phoney, two-faced (What?)
All you do is plastic
Wasted all your tactics
Tiki taka, card tricks
You're drawing dead, this trip is mad, I'm carsick

(What's your story?)
Blessing, blessing, guess a hidden message is awaiting, blessing (What's your story?)
Lesson, lesson, I just listen, never missing any lesson
(What's your story?)
Less is less and I've been dress, undressing just to get a glance at
Snap, snapping, I just see you standing there and mumbling

You just mumbling
Slick, slack, watch your back
You just mumbling
Quick, quack, quick, quack
Bet you positive
You a genius, genius
Always talking with your chest
Spit in my face, spit in my face

What's your story?
I'm so happy
Why so shaky?
Too much coffee (Snap out of it)
What's your story? (Snap out of it)
I'm so ugly (Snap out of it)
Melancholy (Snap out of it)
Too much coffee
What's your story? (Make my day)
I'm so happy (Make my day)
Why so shaky? (Make my day)
Too much coffee (Snap out of it)
What's your story? (Snap out of it)
I'm so ugly (Snap out of it)
You keep on mumbling
Way too much coffee

Way too much coffee, man
