

# Contact

Noisettes

I don't want to lose a friend  
I don't want to miss an opportunity  
I'm sorry that I let you down-  
I could not be what you wanted me to be

Soul music and rock'n'roll  
All my life I've been chasing rainbows  
When will I ever know  
Know when it's time to go

Close the door  
Because it doesn't really matter  
It doesn't really matter  
Because I know for sure  
It might be the last time  
That I give my love to you

When we make contact  
Ooo Ooo  
I just never want it to end

Too fast and curious  
Life flashes right before your sore eyes  
What happened to the plans we made  
Sipping cold lemonade outside in the shade

I feel it as we dance  
The warm sensation of innocence  
Two beautiful worlds collide  
I'll see you on the other side

But close the door  
Because it doesn't really matter  
It doesn't really matter  
Because I know for sure  
It might be the last time  
That I give my love

When we make contact  
Ooo Ooo  
I just never want it to end

When we make contact  
Ooo Ooo  
I don't have to pretend

You don't have to say you love me  
You don't have to say you love me  
Cause I know from the love you show

When we make contact  
Ooo Ooo  
I just never want it to end

When we make contact  
Ooo Ooo  
I don't want it to- I don't want it to end

I don't want it to

Cause when we make contact

Ooo Ooo

I just don't want it to end

You don't have to say you love me

You don't have to say you love me

Cause I know from the love you show
